Optional extras ...

Recirculation

If you are fitting your hood onto an inside wall and plan to recycle the air in your kitchen you will need to fit a recirculation kit to your hood and periodically replace the charcoal filters. Your hood will come complete with washable grease filters.

Extraction

If you fit your hood onto an outside wall and plan to duct the air out the room you will require an extraction kit. Charcoal filters are not required for this method but you will still use the provided washable grease filters.

All prices include VAT and free home delivery. Please circle your selection(s).
