By Rail, Chester Station  
 Rangecookers is located within 10 minutes walking distance of Chester Station. Alternatively Taxis are available from outside of the station

By Road  
 Leave the M53 at junction 12, take 3rd exit onto the A56, straight over next roundabout following A56 into Chester for 1.5 miles. Over railway bridge, through traffic lights, then left at roundabout onto St Oswalds Way. Look for the Seller Street slip-road just before the next lights.

**Parking**  
 Although there are double yellow lines immediately around the building, there are plenty of parking spaces in nearby on-street locations, or if you choose to park next to the building we are very vigilant when it comes to traffic wardens! The city-centre **Gorse Stacks** car park is well signed, and from there we are a ten minute walk along the canal towards Hoole.
