BEHIND EVERY GREAT MEAL
belling 2016
www.belling.co.uk
At Belling, we’re proud to have supported great British home cooking, manufacturing and you, the British consumers, for over a century, and we plan to keep on doing it, with our four big commitments.

We’re behind great British design and manufacturing

Belling is proud to be part of Glen Dimplex Home Appliances, the only manufacturer that builds freestanding cookers, built-in ovens & hobs and range cookers right here in the UK. Manufacturing uniquely British products for British cooks.

Belling products are made with painstaking attention to detail, and its production site is purposely split into small teams, who work solely on just one product, carefully assembling each and every appliance from the ground up, by hand.

We are proud to be founder-members of the Made In Britain initiative and are still very much involved with its campaigning and championing of British industry. For more information, or to join the Made In Britain campaign please visit www.madeingb.org.

We’re behind award-winning customer service

Belling’s first class customer care has seen the brand win the much coveted Total Excellence Quality Customer Care award on numerous occasions. Belling’s UK-based customer call centre employs 180 operatives and 200 service engineers.

If you wish to speak to one of our operatives, please call 0344 815 3746.

Find out all about recycling your old electricals, what happens to them and where you can recycle them.

www.responsible-recycling.co.uk

We’re behind innovative cooking technology

From the world’s first enamelled cooker and domestic fan oven, to the first slot-in range cooker and more recently, the world’s first induction oven – we’ve developed products and technologies over the decades that are still important to British cooks today.

No surprise then that we continue to pioneer products across all fuel types, like the largest tall oven on a range cooker with 91 litres capacity. Or that we perfect features like open-door grilling – which means your food is grilled instead of baked, or that all ovens boast an ‘A’ class energy rating. We’re never behind when it comes to progress.

We’re behind cooking & celebrating great food

We are once again proud appliance supplier to some great events in 2016 including the Cake International Shows, Liverpool Food and Drink Festival and the BBC Good Food Eat Well Show. There really is something for everyone, we’d love to see you there...

ENFIELD E552
It cooks everything evenly

It's a conventional gas oven, with an electric fan that you control with a switch. It creates an even temperature so now you can bake your favourite cake at the same time as your cut of meat.

How fanned gas works

1. It's a conventional gas oven, with an electric fan that you control with a switch. It creates an even temperature so now you can bake your favourite cake at the same time as your cut of meat.

2. It works by drawing in and distributing air through vents, producing an even cooking temperature throughout the oven. So cooks and bakers can use all levels of the oven instead of swapping shelves.

3. And because we know what British cooks want, we’ve made it so you can switch between fanned and conventional gas, giving you more choice as well as fantastic results every time.
We say variety is the spice of life, and whatever your palette we’ve got a Classic range cooker in a colour to suit your dream kitchen. So why not choose from one of our stunning six colour options, in three different Classic sizes, from our Colour Boutique range. Dual Fuel, Induction, Ceramic, Gas.

See the full Colour Boutique range online at www.belling.co.uk

**SMARTER**

Intuitive technology means you can pause, recall your last temperature or even programme when your hob turns off, helping you to achieve perfect results.

**FASTER**

It's nearly twice as fast as a gas hob and 30% faster than ceramic. You have the option of power boost which draws additional power when required - perfect for wok cooking.

**SAFER**

The hob will not function unless a suitable pan is placed on the zone and if left unattended for a long period all cookzones will automatically turn off.

**GREENER**

Induction cooking doesn't lose any heat through convection, so it's 30% more efficient than a gas hob and 25% more than a ceramic hob.

**32 amp connection:** Works on a standard 32amp power supply.

---

**How Induction Works**

Induction hobs are very accurate so it is possible to create a constant low temperature - perfect for simmering food. They are extremely fast and don't waste heat, so they use a lot less energy. Simply put, induction is like having an individual heating element inside each pan. When a pan is placed on an induction hob, it completes a magnetic circuit below the hob's surface, which creates energy within the pan's base - this in turn only heats the pan and its contents, not the entire hob.

A simple test with a magnet will reveal the suitability of a pan. If the magnet sticks to the base of the pan then it is suitable for an induction hob.

---

MULTIFUNCTION OVENS

FANNED OVEN
Distributes the heat evenly through the use of an integrated fan. Perfect for batch baking.

BASE HEAT WITH FAN
The base heat can be used to provide additional toasting for pizzas, pies and quiches. Use the function towards the end of cooking.

BASE HEAT
The base heat can be used to provide additional toasting for pizzas, pies and quiches. Use the function towards the end of cooking.

DEFROST
The fan assists defrosting by circulating room temperature air around the food, it is more hygienic and is done in half the time.

FANNED GRILLING
Circulates heat around the food, making it ideal for thinner foods such as bacon, fish, gammon and steaks.

BASE HEAT
The base heat can be used to provide additional browning for pizzas, pies and quiches. Use the function towards the end of cooking.

TOP HEAT
Use the top heat element towards the end of the cooking, for delicate browning. Great for dishes like lasagne.

INTENSIVE BAKE
Suitable for food with a high moisture content, such as quiche, bread and cheese cake. It also eliminates the need for baking pastry blind.

BASE HEAT
The base heat can be used to provide additional browning for pizzas, pies and quiches. Use the function towards the end of cooking.

MULTI-CAVITY COOKING OFFERS CONVENIENCE, EFFICIENCY AND EXTRA CAPACITY.

With the Belling range of multi-cavity ovens, you can use different functions and temperatures at once - which can halve your cooking time.

Smaller cavities also means you are only heating the space that you need, making it more energy efficient.

- Microwave, grill & convection
  - 900W microwave
  - 2400W convection
  - 1100W grill
  - Fully touch control
  - Electronic clock programmer

DESIGNING YOUR IDEAL KITCHEN DOESN’T END WITH YOUR CHOICE OF BELLING COOKER.

 Utensils not included
COOLING AND REFRIGERATION

**BLF600**
- Built-under larder
  - 130 ltrs gross capacity (128 usable)
  - CF/C/HFC free
  - A+ energy rating
  - 2 shelves + half depth + salad crisper

**BFZ600**
- Built-under freezer
  - 96 ltrs gross capacity (87 usable)
  - CF/C/HFC free
  - A+ energy rating
  - Reversible door

**BSTAT7030**
- Built-in 70/30 combi
  - 240 ltrs gross capacity (225 usable)
  - CF/C/HFC free
  - A+ energy rating
  - 3 shelves + salad crisper cover

**BSTAT5050**
- Built-in 50/50 combi
  - 235 ltrs gross capacity (222 usable)
  - CF/C/HFC free
  - A+ energy rating
  - 3 shelves + salad crisper cover

**B5050FF**
- Built-in frost free 50/50 combi
  - 225 ltrs gross capacity (216 usable)
  - CF/C/HFC free
  - A+ energy rating
  - 3 shelves + salad crisper

**B7030FF**
- Built-in frost free 70/30 combi
  - 240 ltrs gross capacity (225 usable)
  - CF/C/HFC free
  - A+ energy rating
  - 3 shelves + salad crisper

WINE COOLERS

**150WC**
- 150mm wide Wine cooler
  - 7 bottles capacity
  - Adjustable thermostat
  - 5 - 22 °C temperature range
  - 6 chrome wire shelves
  - WHITE 444444007
  - STAINLESS STEEL 444444008
  - AZURE 444444009
  - BLACK 444444010

**300WC**
- 300mm wide Wine cooler
  - 18 bottles capacity
  - Adjustable thermostat
  - 5 - 22 °C temperature range
  - 6 wooden shelves
  - WHITE 444444011
  - STAINLESS STEEL 444444012
  - AZURE 444444013
  - BLACK 444444014

**600WC**
- 600mm wide Wine cooler
  - 46 bottles capacity
  - Adjustable thermostat
  - 5 - 22 °C temperature range
  - 6 wooden shelves
  - WHITE 444444015
  - STAINLESS STEEL 444444016
  - AZURE 444444017
  - BLACK 444444018
**DISHWASHERS**

**IDW450 MK2**

- 6 pr
- Temperature settings
- Residual heat drying

**IDW604 MK2**

- 60cm integrated dishwasher
- 12 place settings
- Delay timer
- Residual heat drying

**TABLE TOP COOKING**

**BABY BELLING 121R**

- Conventional, with fixed grill and sealed plate hob
- 2 element hob
- 1kW grill

**BABY BELLING 321R**

- Conventional, with fixed grill and sealed plate hob
- 2 element hob
- 1kW grill

**BABY BELLING STAND**

- Oven stand

**FREESTANDING COOKERS**

**50CM**

- Gas
- Easy clean enamel
- Rotary control
- Defrost function

### Main Characteristics
- **Terminal block position**: 1/2” BSP female
- **Installation**: Yes
- **Inner door**: Yes
- **Roasting tin**: Yes
- **Timer**: Yes
- **Gas type**: Conventional gas
- **Timer and grill in both ovens**: Yes
- **Pan detection**: Yes
- **Gloss enamel pan**: Yes
- **Push button ignition**: Yes
- **Oven light**: Yes
- **Variable electric grill**: Yes
- **Base heat with & without fan**: Yes
- **Drop down glass**: Yes
- **Child lock**: Yes
- **LED clock & minute minder**: Yes
- **Programmable timer**: Yes
- **Easy clean enamel**: Yes
- **Easy clean glass door**: Yes
- **Glass lid with auto shut off**: Yes
- **Digital power display**: Yes
- **Glass lid with auto shut off**: Yes
- **LED clock & minute minder**: Yes

### OVERVIEW

- **BI60F**: 60cm Built-in Single Oven (2.7 KW)
- **BI60FP**: 60cm Built-in Programmable Freestanding Oven (2.7 KW)
- **BI60MF**: 60cm Built-in Multi-functional Oven (2.7 KW)
- **BI60SXL**: 60cm Built-in Single Oven (2.7 KW)
- **BI60G**: 60cm Built-in Gas Oven (2.7 KW)
- **XG606 LPG**: 60cm Built-in Gas Oven (2.7 KW)
- **BI60H**: 60cm Built-in Double Oven (2.7 KW)
- **BI60H FP**: 60cm Built-in Double Oven with Programmable Functions (2.7 KW)
- **BI60H PYR**: 60cm Built-in Double Oven with Programmable Functions (2.7 KW)
- **BI60FPF**: 60cm Built-in Freestanding Programmable Oven (2.7 KW)

Belling 2016 | www.belling.co.uk
### Electrical Connection
- **Fixed wiring**: All models come with a 13 amp plug.
- **Supply cord**: All models come with a supply cord.

### Stainless Steel Finishes & Codes
- **Weight (kg)**: 7.2, 7.2, 10.5, 10.6, 10.6, 11.1, 7, 7, 7, 7, 8, 8, 9, 8, 7, 11
- **Depth below worktop (mm)**: 510, 510, 510, 510, 510, 510, 520, 520, 520, 520, 504, 520, 400, 510, 510, 520, 560
- **Gas type**:
  - **Nat gas**: All models except for the 50cm model, which comes with LPG.
  - **LPG**: All models except for the 50cm model, which comes with Nat gas.
- **Pan Supports**: All models come with adjustable pan supports.
- **Fuse size (A)**: 56, 57

### Hob Burners
- **Removable Parts (for cleaning)**: All models come with removable parts for easy cleaning.
- **Auto ignition**: All models come with auto ignition.
- **Flame safety**: All models come with flame safety features.
- **Side rotary supports**: All models come with side rotary supports.
- **Front rotary controls**: All models come with front rotary controls.
- **Supports**: All models come with supports.
- **Central on/off key**: All models come with a central on/off key.
- **Timer**: All models come with a timer.
- **Minute minder plus**: Some models come with a minute minder plus function.
- **Boost function**: Some models come with a boost function.
- **Pan overheat**: All models come with pan overheat detection.
- **Power slider**: All models come with a power slider.
- **Hob hot light**: All models come with a hob hot light.
- **Residual heat indicators**: All models come with residual heat indicators.
- **Hot hob light**: All models come with a hot hob light.
- **Pan detection**: All models come with pan detection.
- **Touch controls**: All models come with touch controls.
- **Digital display**: All models come with a digital display.
- **Easy clean ceramic glass surface**: All models come with easy clean ceramic glass surface.
- **Easy clean enamel pan**: All models come with easy clean enamel pan.
- **Easy clean cast iron pan**: All models come with easy clean cast iron pan.
- **Central on/off key**: All models come with a central on/off key.
- **Timer**: All models come with a timer.
- **Minute minder plus**: Some models come with a minute minder plus function.

### SPEC & DIMENSIONS
