By Rail, Chester Station

We are located within 10 minutes walk of the station.

By Road

Leave the M53 at junction 12 and take the 3rd exit onto the A56, straight over the next roundabout following the A56 into Chester for 1.5 miles. Over railway bridge, through traffic lights then left onto St Oswalds Way (see map).

Parking

Although there are double yellow lines immediately around the building, there are plenty of parking spaces in nearby on-street locations, or if you choose to park next to the building we are very vigilant when it comes to traffic wardens! There is also parking available at the nearby Waitrose store, from where we are a few minutes' walk along the canal path towards the city.
